THE BEST CLIMATE IN U. S.

Come to Yuma, Arizona, the land of sunshine, no floods, no blizzards, no cyclones, sunshine 365 days in the year, 12 months' growing season and haying in January; 12 tons of alfalfa hay per acre annually; the greatest cotton country on earth; oranges, lemons, grapefruit, peaches, grapes, apricots, dates figs and other fruits and melons produce more bountifully and reach the markets earlier and consequently bring better returns than from any other section of the United States. Fruits are not grown anywhere else in the world with the quality of flavor of the Yuma fruits. Crops will bring annual returns of from \$100 to \$1200 per acre annually. You may live here in comfort and happiness, surrounded upon every side by smiling prosperity. Ten acres here is better than a life-time salary of \$125 per month; twenty acres will in a short time make a large family independent, while forty acres, if properly handled, will bring a good fortune in a few years. Our water supply is unlimited, being diverted from the Great Colorado by the U. S. Government's \$3,000,000 irrigation project. Why live in the land of floods, snow, sleet and ice, cyclones and blizzards and eke out a mere existence when there is open to you the lands of the wonderful Yuma Valley; where exists perpetual sunshine, prosperity and happiness, where life is worth living. Having grt. sell your holdings or mortgage for all you are able and come NOW. For literature address **McCLURE REALTY, LOAN AND TRUST CO.**, 352 2nd St., Yuma, Arizona. St-pd-4-10

PRINCESS.

Sheriff Geiger was here last week forming legal acquaintance with some of the boys, and immediately after his arrival some of the boys departed for parts unknown, but some moved so slowly and are now unwilling guests of Sam Deboard in the county jail. Why? Various causes: hunting without a license, disturbing public worship, discharging firearms on public highways, carrying concealed deadly weapons, etc., too numerous to mention. The typhoid fever cases, five in number, at Albert Terry's near Cannonsburg, are all out of danger and some of them very much improved.

Miss Amanda Williams is visiting her sister at Kayford, W. Va., and will probably remain there a month. Chester Towler makes his usual tri-weekly visits to Canton. Oscar CHAMBERLAIN, of Kewanee, was a business visitor here last week. Buck Hamilton, of Branchland, W. Va., visited his parents here last Saturday, returning home Sunday. BUCKSKIN BESS.
